

Class 6 Activities

Hello Class 6! Here are some more activities to keep you busy. If possible, whenever you complete a task, upload it to Class Dojo so it can be seen and shared. Don't be afraid to come up with some of your own ideas, for example growing your own veg, making models or anything else you can think of. I look forward to seeing what you've been up to. If there is anything you'd like to share from your previous home pack, feel free to upload photos to Class Dojo.

- Design and make your own **board game**, including written rules to follow. It can be based around any theme or interest you have. Think carefully about how to play the game, the object of the game, any special rules or pieces you will need.
- Create a **poster** advertising your board game, thinking carefully about your target audience and make sure your poster is eye-catching!
- What have you been reading recently?
Write a **detailed review of a book** you have recently read. Remember to explain what

you thought of the book, what it was about and who you would recommend the book to.

- [Oxford Owl](#) has some great resources including a free eBook library, author videos and maths games.
- Each week I will set a theme and I'd like you to take a **photograph** and upload it to Class Dojo. This week's theme is **Nature**. If you like, you could take lots of photographs and pick your favourite to upload.

- Research an artist and draw or paint a picture in their style. For example, you could paint your own version of Van Gogh's 'Sunflowers'

- Apply for a **Blue Peter badge**. There are eight different Blue Peter badges to earn. Blue badges can be earned by writing interesting letters, stories, models, pictures, poems etc. Green badges are awarded for sending in letters, pictures and models

that are about the environment, conservation or nature. Find out about all the different badges you could earn by following this link:

[How to apply for a Blue Peter badge](#)

- Make sure you are still using Times Table Rock Stars regularly and competing in any Team Battles!
 - BBC Bitesize has some excellent activities for you to work through. [BBC Bitesize link](#)
 - Carol Vorderman is giving free maths lessons on this website. [The Maths Factor](#)
 - [NRICH](#) is full of maths games and activities that you can work on at home.
-
- Remember to **keep active** and get some fresh air. You could post some photographs any gardening or exercise you've done!
-
- Choose one of the images below and use it help you write a **story**. Your story can be about anything you choose. Remember include details and think carefully about your choice of words to help paint a picture in the reader's mind.
