

Class 7 Home Learning wc 27.4.2020

Hi Class 7

Please find a few more tasks to develop your learning.

Just before school finished we were working on complaint letters and I know that I sent a plan home with you to write a complaint letter about a bad experience at a restaurant. I have included the details in case you have forgotten them.

If you have completed it you can photograph/ scan it and upload to Class dojo for me to mark.

I have also included another complaint letter about a disastrous visit to Wet and Wild Water Park for you do.

There is also a comprehension exercise for you to do focusing on Chapter 2 of the Iron Woman (the reading book you took home) and I will be sending further comprehension exercises focusing on more chapters. Please answer the questions in sentences in your English book

There are still quite a few children who have not completed the Spag tests A and B I have put on the website and keep an eye out because I will be putting some more up there.

- Make sure you are still using Times Table Rock Stars regularly and competing in any Team Battles! We need to beat Mr Sayer's class.
Also don't forget to use Lexia to improve your spelling.
I have been downloading your Lexia and Times tables certificates to your Class Dojo portfolio

- Whiterose maths has some very good lessons for children to complete with a video showing how to complete activities.
<https://whiterosemaths.com/homelearning/>
- BBC Bitesize has some excellent activities for you to work through. BBC Bitesize link. They are even doing daily activities on the television.
- Carol Vorderman is giving free maths lessons on this website. The Maths Factor
- NRICH is full of maths games and activities that you can work on at home.

Don't forget to upload any paintings and drawings you have done when you were researching an artist or an inventor

As I said last week it is very important you keep active and get some fresh air. Feel free to upload any photographs of your outside activities.

Remember to keep writing in your diary.

Some children have already been uploading activities they have done to their Class Dojo portfolio and I have really enjoyed seeing all the fabulous things they have been doing. I would like to see some more children uploading activities.

The Worst Restaurant!

You and your family visited a restaurant for a family celebration. You were really looking forward to it as you had heard good things about the restaurant.

You arrive and it all goes horribly wrong:

You want to complain about a meal at your establishment which you had on Sunday 15th March to celebrate your birthday. The whole occasion was ruined by their terrible service

When you arrived you had to wait 45 minutes for a table even though you had booked the week before. Other people were arriving after you and being given a table.

After that bad start things got even worse when the waiter/waitress took ages to serve you other tables were served first.

When your mum asked how much longer the food would be the waiter/waitress was rude and muttered under their breath.

When the food arrived it was cold and didn't taste very nice. Even worse your dad, who is a vegetarian, was served beef instead of Mushroom stroganoff and the waiter/waitress was very rude when we complained.

You parents were so annoyed with this terrible service they just paid the bill which was very expensive and left without having a dessert.

This is not the service you would expect from a so called 'quality' restaurant
You are demanding a full refund of the meal and if they refuse to meet your expectations you will be contacting the press to complain about the terrible experience you have received.

WET & WILD

On Saturday 29th March you visited Wet and Wild Water Park in North Shields with your family. (mam and dad and sister or brother)

The changing rooms were dirty the tiles were all cracked and all of the lockers were broken. The showers were freezing cold.

The two best water slides- The Black Hole and the Kamikaze were closed. You were really disappointed as they are your favourites and you had been looking forward to going on them for weeks.

The cafe had hardly food left at lunchtime and the tables were dirty with plates and half eaten food all over them. When your parents asked a member of staff if they could clean your table they were very rude -slamming plates about and sighing all the time. You had to wait ages for the food and when it did arrive it was horrible.

You paid £100 for the four of you for the full day but you were so disgusted that you left at lunch time.

Ted Hughes
