

Keeping Safe Online at Home.

Hello Parents/Carers

We hope you are all well and staying safe at home. We understand that during this time of remote learning children will be spending more time online and accessing more new things than they usually would. As we have previously stressed, it is very important for us to work together with you to keep children safe online, particularly at this time.

CEOP Home Learning Activity Packs

CEOP (Child Exploitation and Online Protection) have put together the following resource that you may find useful. It has simple videos and some useful questions/tips for talking about online safety with your child/children.

It is important that you and your children practice safe internet use. If you are concerned about your child or anything regarding their online safety the following reporting routes are available. You can also contact school via email with any concerns.

Reporting and Advice.

At St Joseph's Catholic Primary School we advise the following websites, based on Government guidelines (02/04/2020) for reporting concerns and advice. The following will be shared with parents/carers.
