

Home Learning Activities w.b. 27.04.2020

Year 2

Hello Year 2,

It has been lovely to be updated with all of the wonderful learning and activities you have been doing. You have put in lots of effort and I am so pleased to see your lovely, smiling faces in your photos.

I have put together some more ideas to keep you busy however I know how busy your grown-ups will be at home so don't feel that you have to complete them all.

Maths -

Continue to use White Rose Maths Home Learning. If you completed Week 1 last week then move onto Week 2. We were learning all about fractions before the Easter Holidays so this will continue from what we have already learnt.

<https://whiterosemaths.com/homelearning/year-2/>

If you find anything tricky ask your grown up to help or use some practical resources to help you.

Keep using Times Tables Rock Stars and Numbots to keep your brain busy.

English - Jack and The Beanstalk

I have created a 'Twinkl Go' login for you to use this week.

Type 'Twinkl Go Login' into Google and access the site. You will be asked for a PIN number.

I will post the PIN number on Class Dojo for you.

On Twinkl Go you will find activities and information to help with your Science Project about plants and also an audio book of 'Jack and the Beanstalk'. I have set some activities below that you might like to complete independently or with your grown-up. Remember, these are just ideas so don't feel that you need to have completed them all as I know your grown-ups are very busy also.

Activity Ideas -

- Create a story map of the key events in the story (example below). Can you add any adverbs (slowly, noisily etc), adjectives (big, beautiful, vast etc) and time words (first, next then etc)?

- Write a recount of the story using your story map to support you. Remember to sequence the story in the correct order. Below is a word bank that you might want to use to help you with key words.

- Character Descriptions of Jack and the Giant. Why not create a mind map of adjectives to describe one of the characters and then use your ideas to form full sentences to describe them?

<p><i>Small</i></p> <p><i>Kind</i></p> <p><i>Clumsy</i></p> <p><i>Silly</i></p>	<p>Jack, Cow, Giant</p>	<p><i>Huge</i></p> <p><i>Grumpy</i></p> <p><i>Noisy</i></p> <p><i>Enormous</i></p>
---	-------------------------	--

- Sorry Letter from Jack to the Giant or the opposite way round. Why are they sorry? What will they do to make it up to the other person? What should they have done instead? Can you extend any of your sentences using conjunctions (and, or, but, so, when, if, that, because)?
- Follow this link to access a lovely rainbow picture to add to your window to share your love of reading with your neighbours.

<https://www.beanstalkcharity.org.uk/Handlers/Download.ashx?IDMF=d11c688f-d746-4c27-8393-5c9957fb00a8>

Remember to keep reading each day or share a story together.

Spellings

If you are in Mrs Hunter's Spelling group can you practice reading and spelling these contracted forms of words. What is their full form?

couldn't

wouldn't

shouldn't

don't

didn't

I'm

can't

I'll

wasn't

you're

If you are in Miss Nichols' Group can you practice reading and spelling these words?

girl

shirt

twirl

skirt

glue

clue

argue

rescue

If you can't remember which group you're in send me a message on Class Dojo and I'll remind you.

At the end of the week why not get your grown-up to give you a spelling challenge? Let me know how well you do!

Get thinking and Get Creative

- Can you build a beanstalk?
- Use the information on 'Twinkl Go' to complete your Science project - remember this doesn't have to be done all at once.
- Can you see any plants in your garden? Why not try to find out what they are? If you don't have a garden have a look for some during your daily exercise or find some in a book/on the internet.
- Make up a song about Jack climbing the beanstalk.

Keep Active

- Joe Wicks Daily PE Lessons
- Cosmic Kids Yoga
- Super Movers
- Games in the garden
- Make your own obstacle course. Time your siblings or grown-up to see who can complete it the quickest!

Daily Lessons are being provided by the BBC which could support your learning.

Remember if you need any support contact me on Class Dojo.

Please keep me updated with the lovely things you have been learning and taking part in. Post photos, files or notes to your portfolio on Class Dojo. I'm looking forward to continuing our learning together.

Take care, Stay Safe and keep smiling Year 2 and Grown-ups.

See you soon,

Mrs Hunter
